

# THE NEED FOR TECHNOLOGY IS NOT SLOWING DOWN IN 2021, SO MAKE SURE YOU HAVE THE INSIGHTS YOU NEED TO BUILD A STRONG ROADMAP.

Explore research, hear from peers and connect with each other through virtual events and webcasts hosted by IDC and IDG.

## IDC FutureScape: Worldwide 2021 Predictions

Recovery from economic disruptions and adjusting to more long-lasting changes in social and business practices due to the pandemic will dominate enterprise IT investment decisions and reshape priorities over the next five years. The one clear conclusion: technology will play an even greater role in getting us all to the next normal.

## 2021 State of the CIO Survey: IT Leadership Discussion

January 28, 2021 | 2:00 PM ET

Join CIO and the CIO Executive Council as we explore the 2021 State of the CIO report, which provides an annual look at the status of IT leaders in the business world. The research offers an assessment of what has changed over the past 12 months and where CIOs are headed in the next few years.

This exclusive presentation will be hosted by John Gallant, Enterprise Consulting Director at IDG and include insights from Sarah Naqvi, EVP & CIO at HMSHost, and Nathan Rogers, SVP & CIO at SAIC.
